

## 3D Urinal Screen

**New Design!**

- Two-sided anti-splash texture, preventing splash back and cross-contamination from urine
- Flexible screen helps protect against clogged drains
- Translucent design allows viewing of the drain to ensure it remains free flowing
- Specially engineered copolymer is 200 percent stronger than traditional vinyl urinal screens
- Contains no materials to dissolve into wastewater and are VOC compliant in all 50 states

**Description:**

7-1/4" Diameter x 1/16" Melon Mist Scent

7-1/4" Diameter x 1/16" Mango Bay Scent
